

2021 Summer Newsletter

Your gift enables us to continue assisting the daily needs of our vulnerable community neighbors. We are here to ease the struggles of families and individuals living within relative poverty. Our volunteers greet each client with respect, helping to ease anxiety and stress. *"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."* **Matthew 25:40**

Our Food Pantry continues the focus of putting "food on the table". Offerings of fresh produce, frozen meats, dairy, bakery, and breads as well as necessities for hygiene continue. Our volunteer's "shop" and complete a personal grocery "order" that each client chooses. Helping to plan meals and fulfill their individual dietary needs serves an important role.

Our Financial Assistance lends a helping hand in Emergency situations. A "roof over your head" is number one, but as we all know life presents sudden unexpected situations that compromise those with limited income. Medical, dental, a vehicle repair, loss of income or a loved one, are a few critical areas where we can help. A client who recently completed her Denture Treatments came in specially to SMILE and tell us she felt like she had her dignity back once again!
